RE: FirstLight Hydro Generating Company Report Regarding Conveyance of Easements, Rights of Way or Leases in 2013 Pursuant to Article 43 (c) of the Turners Falls Project (P-1889) and Article 49 (c) of the Northfield Project (P-2485)

Dear Secretary Bose:

Article 43(c) of the Turners Falls Project license and Article 49(c) of the Northfield Project license authorize the licensee, FirstLight Hydro Generating Company (FirstLight), to convey certain easements, rights of way, or leases of Project lands. Articles 43(c) and 49(c) further provide that FirstLight shall report to the Commission such conveyances in calendar year 2013 no later than January 31, 2014.

FirstLight hereby reports that no conveyances were made in 2013 for the two referenced Projects. If you have any questions, please contact me.

Sincerely,
