To: Public Files
From: Kenneth Hogan
Date: April 22, 2014
Dockets: P-1889-081 and P-2485-063
Project: Turners Falls Hydroelectric Project and Northfield Mountain Pumped Storage Project

Subject: Teleconference between Commission staff, the U.S. Fish and Wildlife Service (FWS) and FirstLight Hydro Generating Company (FirstLight) on the FWS's formal dispute filed on March 13, 2014.

On April 22, 2014, Commission staff met with representatives of the FWS and FirstLight via teleconference to discuss the FWS's formal dispute filed on the Director's study plan determination issued in February 2014.

The participants met to discuss the potential for collecting shad egg and larvae entrained at the Northfield Mountain Project by sampling water from the project's cooling water intakes, potential sampling design and study methods.

A follow-up meeting is scheduled.
