Re: FirstLight Hydro Generating Company, FERC Project Nos. 2485 and 1889
2014 Initial Study Report Meeting- Call in Number

Dear Secretary Bose:

FirstLight Hydro Generating Company (FirstLight), licensee of the Turners Falls Hydroelectric Project (FERC No. 1889) and Northfield Mountain Pumped Storage Project (FERC No. 2485) filed its 2014 Initial Study Report with the Federal Energy Regulatory Commission (FERC) on September 15, 2014. As noted in that transmittal, FirstLight is holding its Initial Study Report Meetings on September 30 and October 1, 2014 at the Northfield Visitor Center. Agendas for these meetings were filed with FERC on August 21, 2014.

For those that cannot attend the meeting in person, FirstLight is offering the following conference call-in number:

(866) 552-3899, Passcode 5738733006

The PowerPoint presentation for these meetings will be posted to the following website (<http://www.northfieldrelicensing.com>) on the morning of September 30, 2014 such that those calling in can follow along with the Presentation.

If you have any questions, or need additional information, please feel free to contact me.

Sincerely,

A handwritten signature in black ink that reads "John Howard".

John Howard
